MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Review of Employee and Dependent Medical Programs

REFERENCE : Memo dtd 1 Oct 70 for Ex. Dir.-Compt. fr DD/S, same subj

1. This memorandum is for your information only.

2. We are continuing, although slowly, to work on the problem raised by the Director concerning assistance to employees and their families in the financing of major medical problems. OGC did complete the review of the Defense programs but they do not offer any specific handle for us. To carry this matter a bit further, they are including a look at, at least, some things which private industry is doing. We have set up a small team consisting of young officers representing the Director of Medical Services, Director of Personnel, and General Counsel, and steered by [   ] We expect to have a report from them around the first of December.

MEMORANDUM FOR THE RECORD

SUBJECT: Review of Employee and Dependent Medical Program

25X1

        On 30 October I met with Dr. Tietjen, Mr. Wattles and Mr. Warner on the above subject which had been raised with us (Mr. Houston having been at the original meeting) by Colonel White in September. We had for consideration the review of the medical program of the military which had been prepared by [_____] It was agreed we seemed to be talking about the "disaster" case rather than general day by day medical benefits. These are well handled by existing Agency programs. It was also agreed that there may exist, particularly in industry, arrangements which could merit Agency consideration. To carry out additional exploration a team of young officers will be constituted under chairmanship to be determined by the DD/S. Those present designated to represent them Mr. William

25X1

The DD/S will prepare a charter. DMS has through his panels contacts in industry which could be useful to the team in exploring that part of the equation. A report will include a comparative analysis of benefits available to Agency employees versus those available, also, where in the Government including the Defense establishment and in private industry.
